Vista, to me, represents the way school should be for every student.

Here, everyone is treated as an individual, and the care and attention the staff gives to each student is wonderful to behold. I teach English classes during the day and I have the privilege of being the night teacher, where I work with a group of hard-working, dedicated young people as they strive to graduate. My students are my pride and joy, and I am lucky to know them and teach them.

I earned my BA and MA in English from Virginia Tech. I enjoy directing plays, especially Shakespeare, and reading, gardening, art, travel, and experiencing the beauty that surrounds us.
