

Vista celebrated the graduation of 13 students on January 28th. The average age of the grads was 18.7 and the average time spent at Vista was 2 years! Congratulations and good luck!

## Attendance Policy

Students need to maintain a 85% attendance rate during the year. Vista has a policy of make-ups this involves students attending a double session during the day to make up an absence. All absences are treated the same. So if your student is absent they need to contact their advisor for a make-up.
